**SPOUSES OF VMU-2, DO NOT MISS THE
CHANCE TO SEE THE NEW SQUADRON
BEFORE WE MOVE IN!**

WHERE: The new facility is located on the same street “DUFFY RD”. We will be located at the end of the road - on the right - on the flight line. (if you need better directions Please feel free to contact me)

This is very exciting, it's a beautiful building. A member of the Command (besides myself) will be on hand helping with the tour and answering questions. We will also make available fliers for resources and information on our upcoming events and our “Squadron Spouses Club” (supports and volunteers for the VMU-2 Marines) and our Newest Club for all Ranks a “Spouses Social Club” (supports spouses).
